REGULATIONS

1. It is a condition of entry that exhibitors and competitors undertake to comply with the following regulations.
2. All general entries must be made in writing, on forms supplied by the Society, and signed by or on behalf of the exhibitor and delivered to the Secretary on or before the specified closing dates. Post and email entries accepted prior to closing dates. NO LATE ENTRIES.
3. The Society shall have the right to reject any entry without having to give a reason for doing so. Each exhibit must be the bona-fide property of the exhibitor at the time of entry.
4. All exhibits must be entered in the name of the owner, who, on making the entry, will receive a ticket with the section, class and number thereon.
5. All machinery in motion shall be either securely fenced or be in such a position or of such construction as to be equally safe to every person as it would be if it were securely fenced.
6. All exhibits must be in the Showgrounds and placed ready for judging at the time shown at head of each section.
7. The judge may award a second or third prize instead of a first one or may withhold a prize altogether where the exhibits are not of sufficient merit. Any exhibit not classified which may be brought forward may receive a prize or certificate of merit as an extra if considered worthy.
8. All exhibitors shall permit the Stewards to affix their prize cards notifying the awards of the judges and shall permit same to remain affixed during the continuance of the show.
9. STEWARDS: Should a Steward happen to be an exhibitor in any class in which he is a steward, he must stand aside during the judging of such class and take no part whatsoever in it. Stewards are requested to observe this rule.
10. No Judge shall officiate in any section in which he is exhibiting.
11. The Society may withhold any prize when fraudulent or erroneous statements have been made regarding an exhibit and may also withhold all prizes awarded to exhibitors who have been guilty of false statements of entries. They may be debarred from again exhibiting, and, if patrons, shall be liable to expulsion from the Society. Exhibitors may be required to make a statutory declaration regarding their entries if the Society so desires.
12. The decisions of the Judges shall be final and without appeal at law or otherwise, and any exhibitor speaking or acting offensively to a Judge or Official may be disqualified and is liable to have all prizes forfeited. Entries are received subject to this Regulation.
13. Should any exhibit, having gained a prize, be disqualified, the next on the list does not necessarily obtain the same prize. The Society, with or without the assistance of a Judge, can decide the question.
14. The Society shall not be responsible for exhibits. All exhibits left in the Society's grounds for a period of one month shall be sold by the Society to defray expenses.
15. No appeal against the decision of the judges will be entertained unless same be made in writing and lodged with the Secretary within 30 minutes of the event, and a deposit of \$25 be made, which will be forfeited if the Society considers the appeal too frivolous. In the event of a protest being received, the same will be considered by a disputes committee and its decision shall be final.
16. In case of dispute as to the construction of these Regulations or the meaning of anything in the prize list, the same shall be determined by the Society, whose decisions in all cases shall be final.

17. Ages of horses to be deemed August 1st and sheep April 1st the year they were born, cattle as stated in cattle section.
18. Prize cards or Ribbons won at other shows must not be exhibited on any exhibit in the exhibition, or placed on pens where stock are housed.
19. 22. In awarding the Reserve Championship, unless otherwise stated, the first prize winner of the relative sex in each class of the relative subsection, other than the exhibit to which the championship has been awarded, shall be eligible to compete, together with the second prize winner, in the class on which the Champion was awarded first prizes not honored by the sponsor of any event.

Betty Lucas Memorial Sponge Recipe (for class 16)

Ingredients:

4 eggs, separated
3/4 cup caster sugar
3/4 cup cornflour
1 heaped tbs custard power
1 tsp cream of tartar
1/2 tsp bicarbonate of soda Copha for greasing

Method: Preheat oven to 200°F/180°F fan forced. Grease two sponge tins.

NB: The Judges at the Nathalia Show told Betty to never use butter to grease your tins because of the salt, so she makes sure to always grease her sponge tins thoroughly with melted copha.

Using mix master or electric mixer beat egg white until stiff peaks form. Add sugar in two stages and beat for further 3-4 minutes. Add egg yolks and beat until combined. In a separate bowl sift dry ingredients several times. Gently fold dry ingredients into mixture until combined. Divide mixture into two sponge tins and bake for 20mins. Remove sponges immediately from their tins, to prevent sticking. Place on tea towels (on wire racks) to cool, then turn over.
